## Wish Tree Poems

1) Here stands our wedding wish tree,  
Though it looks a little bare,  
But it would look so pretty,  
With the thoughts you want to share.

So please pick up the pen and write  
A joke, a note, a quote,  
Then tie it to the branches  
And watch the wishes float.

When the day is over  
We can't wait to have a look,  
We will keep the little labels  
In our 'Wedding Wish Tree' book.

And in the years that follow  
We'll remember on this day,  
All your thoughts, and words so kind,  
And in our hearts you'll stay.

2) These cards will be  
for our wedding book  
a modern twist  
on the standard look.

As we begin our Journey  
A brand new Mr. and Mrs.  
We could surely use  
Your Advice and good Wishes.

Jot down a Memory,  
A reminder of the day.  
Draw a doodle or picture  
If your not sure what to say.

Share with us your Wisdom  
About Marriage, Love, and Life,  
The secret to being a good Husband  
Or a thoughtful, loving Wife.

Please don't forget  
It would be such a shame  
to hang your card on the tree  
Without signing your Name.
